

Planter Rock

PLANTER ROCK-003

L54" x W30" x H12"
Approx. Weight 27 lbs.

- A great alternative to formal conventional pots.
- Using Accent Rocks as a planter with base should be planted as you would a normal decorative pot.
- Accent Rocks look great with plants in and around them.
- Great for softening the pool coping and giving foliage to swimming pool waterfalls.
- Strong & portable.
- You can also use as a Pot Rock (no base) by simply placing your plant and tray inside the rock.

Garden Rock Edge

These garden edge rocks can be used:

- In the garden.
- Where weed eater will be used.
- They look great mixed with various sized rocks.
